

**ASHRAE TC6.10 Handbook Subcommittee Webminar Minutes  
Webinar, Wednesday April 26th, 1:00 - 2:00pm Central Time**

**1. Call to Order**

The meeting was opened by the Handbook Subcommittee Chair Mehdi Doura at 1:00 pm. Participants were as follows:

Tom Neill	Mehdi M Doura	William Roy	Jennifer Guerrero
Paul Sohler	John Kim	Brian Ryglewicz	Tim McNulty
Michael Beisheim			

**2. Status of 2017 Fundamentals Ch. 28 – Combustion and Fuels**

22 queries were submitted by ASHRAE to the committee in March. All the questions were answered and the chapter changes are on track for a release date of June 1<sup>st</sup> 2017.

**3. Authoring Portal Log-in**

Mehdi Doura demonstrated how to log in to the Authoring Portal to edit or download Word files of the Handbook chapters.

**4. Review and discuss 2020 Systems and Equipment Ch. 35 – Chimney, Vent and Fire Place Systems**

Several committee members and guests volunteered to review and propose changes and additions to chapter 35 at the January 2017 meeting in Las Vegas. During this web meeting the status of the work was reviewed and target dates to send the updated files to the subcommittee member for review were added:

<i>Section</i>	<i>Reviewers</i>	<i>Target</i>
1. <i>Terminology</i>	Brian & Paul	7/1/2017
